

Course equivalence between DECO courses and their counter-parts offered by other faculties

Course Code	Title	Course Code	Course Title
ECON1000	Basic Microeconomics	BECO1000	Principles of Microeconomics
ECON1001	Basic Macroeconomics	BECO1001	Principles of Macroeconomics
ECON2004	Intermediate Macroeconomics I	BECO3009	Intermediate Macroeconomics

Students who take any pair of above courses will receive 3 credits instead of 6 credits. The course which is taken later will be regarded as a retake course. For example, a student had taken ECON1000 before, taking BECO1000 will be regarded as a retake course and vice versa. Only 3 credits will be granted in such circumstances.

This regulation applies to:

- 1) students who already major in ECN11/15/17/19 and enroll in Minor Programmes offered by Faculty of Business Administration;
- 2) students who already transferred to the Department of Economics from other Departments in University of Macau.
